

Hall of Fame Four Minute Friday Transcript

Kara Snyder:

Hello and welcome to a special edition of the Podcast, the podcast produced by the College of Applied Science and Technology. I'm your host, Kara Snyder, and I serve as the Assistant Dean of Marketing Communications and Constituent Relations for the College. Our Four Minute Friday episodes are quick chats about what's up on campus, helping you to make the most of your time as a Redbird. Today, we're chatting about the upcoming cast Hall of Fame event. This event is held annually and is an opportunity for the college to recognize alumni and friends and their contributions to society and the college. Induction into the Hall of Fame is an honor bestowed on graduates and friends of the College of Applied Science and Technology. It gives us a chance to profile the achievements of the prominent graduates and friends to provide a source of inspiration for students, alumni, faculty and staff of the college and the academic community of Illinois State University. This year's event is being held on Thursday, September 25 we start with a pinning ceremony at a casual luncheon where inductees will receive their formal Hall of Fame pin. We also invite past recipients back to campus. So, if you see someone with a cast Hall of Fame pin on, please congratulate them. You might also see a new recipient or two in your classes, as some will take the time to speak to classes and connect with students during their time on campus. The formal ceremony is held in the evening at the Aaron Leech Stadium Club. We will have a reception at 4pm and the induction ceremony will start at five. This portion of the day is open to the campus community. We are inducting eight alumni and friends of the college, one from each academic unit. If you are able to join us for that, you are sure to hear some inspirational stories about career journeys and achievements. Listening to those stories is a valuable way to learn that the road to success looks different for everyone. Dress for that ceremony as business and I hope to see you there. You can learn more about this year's class of inductees by going to the CAST website and clicking on the alumni tab. You'll also notice that conversations with each inductee will be featured on this season of the podcast. Thanks for tuning in to this episode of Four Minute Fridays. If you have an idea of something that we should chat about on these short episodes, contact information is in the show notes you.
